- The rug size should be chosen either according to the furniture or according to the room size.
- If you choose your rug according to the size of the room, we recommend to place the rug 25 cm away from each wall.
- Make sure that the rug will not disturb any door opening or closet opening.

ADVICE TO SET UP YOUR RUG

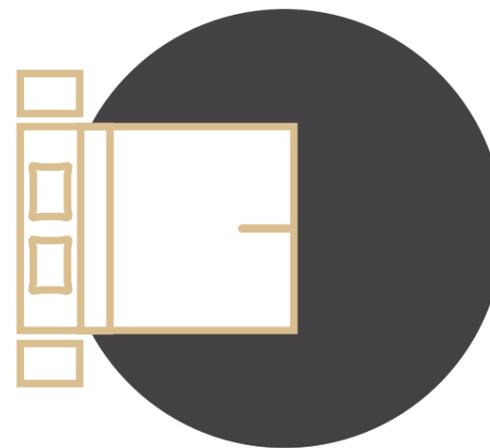

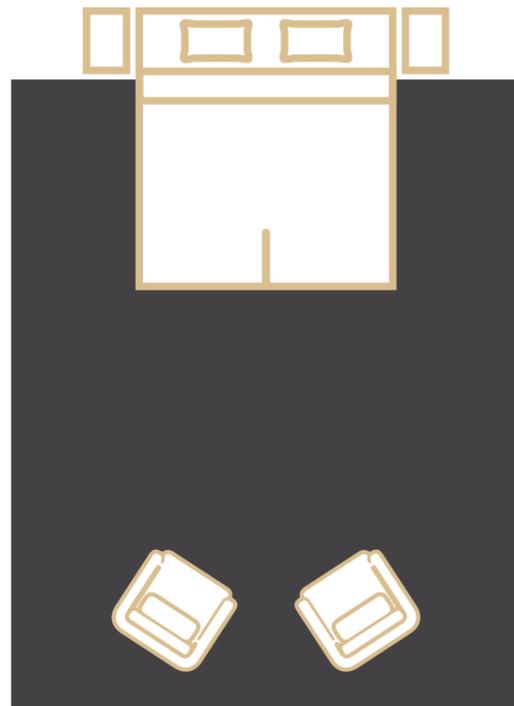

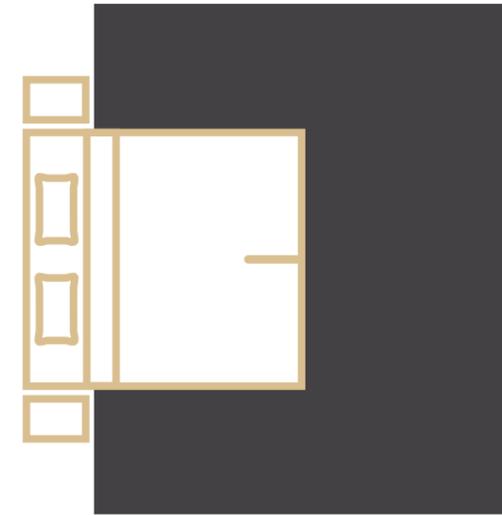

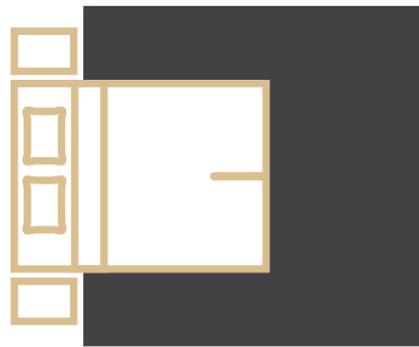

LIVING ROOM

- The rug should be placed partially or entirely under the sofas or armchairs.

## ADVICE TO SET UP YOUR RUG

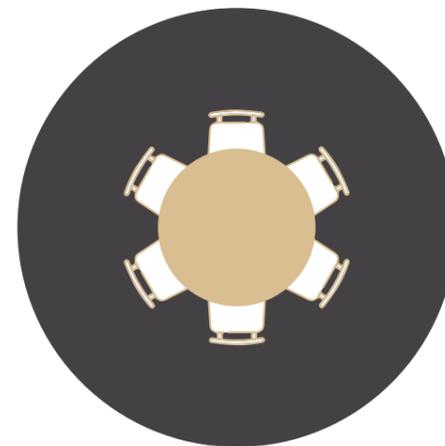

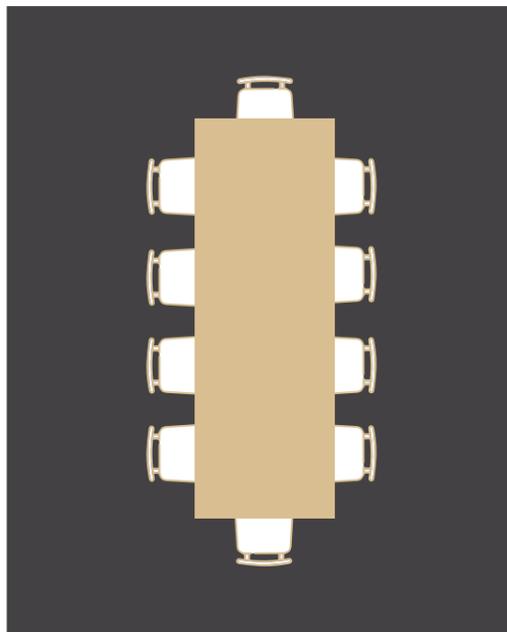

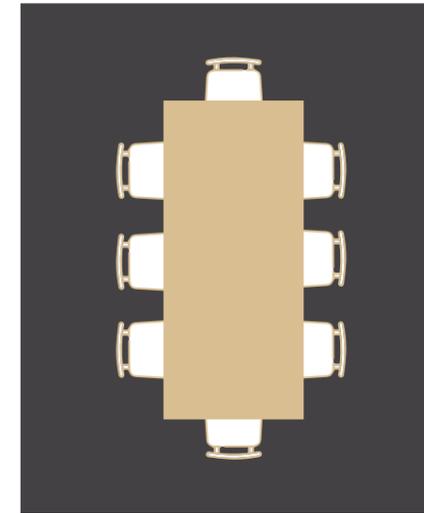

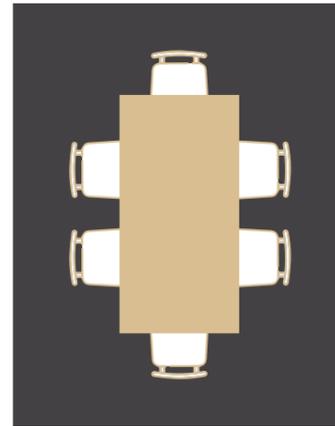

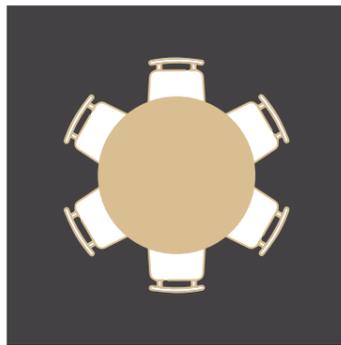

### BEDROOM

- The rug should start right after the nightstand
- The rug should be at least over 70 cm on each side of the bed so you can comfortably step down.

## ADVICE TO SET UP YOUR RUG

### DINING ROOM

- make sure that the rug size will be big enough so that the chairs are still on the rug when sitting and when pulling back the chair to sit or stand up.
- We recommend to add to your rug 70 to 80 cm on each side of the table according to the size of your chairs.
- There is nothing worse than a chair sitting between the rug and the floor, it will be wobbly and uncomfortable.
